Apparently Atago-senpai's soy sauce storage at her bow was hit by a shell.
SOY SAUCE!?
I SPILLED MY SOY SAUCE FROM AN ENEMY'S ATTACK...

# HOPES

BUT THIS TIME AROUND, I'D LIKE TO FIGHT TOGETHER WITH AKI-ZUKI-NEE AS A PART OF THE 61ST!
ACTUALLY, WE WORKED SEPARATE-LY MORE OFTEN.

OH, BUT MAYBE NOT RAT TRANS-PORTS THOUGH...
AND AFTER THAT, MAYBE FORM THE SEVENTH AVIATION SQUADRON WITH HOUSH-OU-SAN AND THE OTHERS, AND ALSO ESCORT SOME BATTLESHIPS!

Looks like Teruzuki-chan wants to do a lot of things...
